# Hellfighters and Missions At the Cross on the Road

Each year, Hellfighters and Men from the Mission travel thousands of miles speaking in different churches, conferences, civic clubs, biker events and various other venues. In 2019 they spoke for Jesus at over 45 different events. Pray for them in 2020 that God will continue to open doors for testimonies and the spreading of the gospel.

## 2019 Highlights

Extension of the 6 month recovery program to a 12 month recovery program began in January.

## Thank You For A Great Year!

During this season of giving, we want to reflect back on the blessings of the Lord this year. God has blessed Mission At The Cross greatly in 2019 and we have seen more men come to the cross of Jesus for salvation this year than possibly any other single year. Several of our men have graduated and moved on to new lives, new jobs and new relationships. Certainly God gets the credit for all that is done, but He works through His people. The staff and volunteers at the Mission have been outstanding and the churches and donors have always risen to the occasion. Thank you for all you do. To our friends, we ask you to pray for this ministry in 2020 as we begin our 12th year. Pray for our men, employees and volunteers, and pray about supporting this great work if you do not already support. Thanks again for a wonderful year!
