

The MISSION AT THE CROSS

Derreck Robertson

February 2019

I spent most of my life thinking I was good enough to make it on my own. One day after 8 years of doing drugs, stealing things, and scrapping, I ended up in the Jones County Jail and this woke me up. I realized I was in bad trouble and was going to hell. It was then I asked the Lord to forgive me and save me. I then wrote a letter to Mike Shirley here at the Mission asking if he and the Mission could help me. My Mom bailed me out and brought me straight here July 2, 2018 and my life has turned around. I graduated from the program January 2, 2019. I have a job here at Hellfighters USA, a vehicle, a place to live and a restored relationship with my family, and people here who trust me enough to hire me and help in the business. The best thing about the Mission is they are willing to give people a chance where a chance is not deserved, and even more than one chance if needed. Another great thing is they teach the Bible as it is, not sugar coated. **Derreck now works at Hellfighters USA in sales and inventory.**

Dale Jones

I came to the Mission in June 2018. I graduated from the program December 19, 2019. The Mission is a great place and it has helped me tremendously. I was in the bar business for many, many years. I also fought with addiction for many years. I was actually saved a few years before coming here, but the Mission has been great in helping me find my direction in life. The best thing about the Mission is the brotherhood here which means not having to do it on your own. You have a full support team around you, spiritually and support from a lot of others who have been where you are coming from. It changed my life. **Dale works in the Service Department at Hellfighters USA as a service writer and selling parts.**

**“Kneel at the cross, Christ will meet you there
Come while He waits for you
Listen to His voice, leave with Him your cares
And begin life anew.”**

Soso FBC Seniors Visit

Thanks to the wonderful folks at First Baptist Church, Soso, Mississippi for touring the Mission and Hellfighters USA. Their pastor is P.J. Weeks. Two of our men gave testimony of how God is delivering them from their old destructive lifestyles and creating a new path for their future. We encourage senior adult groups or any church group to come by and see what God is doing in Jones County Mississippi. For more info, contact joey@missionatthecross.com.
