

The MISSION AT THE CROSS

Ministry in Sturgis

September 2019

Hellfighters from around the nation made their trip to Sturgis, SD once again this year in August. The Mission At The Cross in Sturgis is the rallying point for their outreach each year and thousands of Bibles and tracts are distributed to the folks who crowd into this small town annually. This is the largest outreach of the Hellfighters as a group as they minister together in Sturgis and it is always a highlight for the Hellfighter Nation.

Labor Day Get Away Biker Sunday Held at Life Church

We thank God for his blessings and the family fellowship that is found here at the Mission. Our men, along with friends of the Mission and Richard and Gina Headrick, enjoyed cooking out Labor Day at the Lake.

School Days At The Mission

School is back in session. We are beginning our fourth year of extension classes here at the Mission from Mississippi Baptist Bible Institute. Old Testament Survey is being taught every Thursday at 6:00 a.m. through December. We have had 10 men graduate from MBBI with a Certificate in Biblical Achievement over the past two years. To earn this certificate, they must take at least four classes, or 12 credit hours of study. MBBI provides these classes tuition free for the men. For more info on MBBI, check out their campus and online courses at www.ms bible institute.org

Life Church of Laurel, MS held Biker Sunday September 8 and invited all bikers to attend their special service. Hellfighters from around Mississippi and several other states, and men from Mission At The Cross attended. Richard Headrick, Founder of Hellfighters and Mission At The Cross was the special guest speaker. Thanks Pastor David Hagan for this opportunity.
