PRODUCED & EDITED BY THE MIGHTY MEN OF THE MISSION

## BAPTISM SUNDAY

*"For ye are all the children of God by faith in Christ Jesus. For as many of you as have been baptized into Christ have put on Christ."* Galatians 3:26-27

(Mike Shirley, Khloi Hancock & Alexia Shirley)

Every Sunday at the Mission is a good day all on its own, yet we get especially excited for a baptism service! Most significantly, a baptism service for our guys. The service on March 7th took our joy to an entirely different level.

It was on that lovely, chill Sunday morning that we got to watch Allen Boutwell, Brannon Lott and Craig Carnegie make a profession of faith through baptism as the Scriptures instruct us. Then, perhaps with a slight touch of loving pride for Mike and Alexia Shirley, we got to watch their granddaughter, Khloi Hancock, also make the Believers profession of faith.

We would like to thank Highland Baptist Church and Bro. Eric Estes for always being ready and willing with the warm pool, and we hope these are just a few of many more people who will accept Jesus as their Lord and Savior and get baptized this year!

# REVIVAL!

Food, friends, family, fellowship and... um... Oh! Fun! These are the five ingredients for a great day at *Mission At The Cross*. On an average Sunday, *The Mission* loads up and heads to Highland for Sunday School and some grounded preaching.

However, variety is the spice of life, and spicy is one way to describe Evangelist Gene Douglas, or simply and affectionately “Bro. Gene” around *The Mission*. Out of all the learned and respectable men to teach or preach at *The Mission*, it would not be remiss to say, Bro. Gene has a special place in our hearts and stomachs!!! Though Bro. Gene is the former pastor of Highland, *The Mission*’s home church; He is a recurring character to *The Mission* and Hellfighters USA. Whether on business or to check on the men, we can report that his preaching style and energy are the same at 6 AM, as it is at 6 PM.

Recently the men of *The Mission* and their families were invited to a two-day revival service. But what is a church function without praise and worship? *The Mission* was blessed to have Highland’s own “Encounter Praise Team.” This revival was not their first time serving at *The Mission*, but we are no less grateful for the contribution of their time and talent. Knowing they had to break down and set up again shortly after for the evening service back at church just made the sacrifice of their time that much more appreciated.

We look forward to what God has for Bro. Gene, Highland’s “Encounter Praise Team,” and everyone else who gives so generously to *The Mission*. Thank you from ALL the men of Mission At The Cross.
